

AROC GOES TO THE US GRAND PRIX

October 18 – 22, 2018

Question: What's wrong with this picture? Answer: The Sauber Alfa Romeo is not in it! BUT it will be.....

Join AROC Members in welcoming Alfa Romeo back to Formula 1. This October, Alfistis can celebrate a new era of Alfa Romeo in the top echelon of motor racing. We have arranged for a fabulous four days in Austin, Texas. Wave your flags, wear your gear and take in the atmosphere of Formula 1 and celebrate history.

ITINERARY

DAY 1 – Thursday, Oct.18

Check into the Downtown Austin Sheraton Hotel by 2:00pm. Our private coach whisks us out for our first look at the 'state of the art' COTA circuit. At 4:00pm, we take a Pit Walk, meet the teams, drivers and a fantastic opportunity to get those prized photographs. Then it's back to the City Center for a 'Welcome Dinner' where we are joined by a celebrity guest.

DAY 2 – Friday, Oct.19

This morning at leisure in Austin, then at 12 Noon, it's back to the circuit for the afternoon Formula 1 Practice Session, our first look at the Sauber Alfa Romeo team in action. Our seating offers a choice at either Turn1 or Turn 15, two great viewing opportunities. This evening we are planning cocktail and canapés with fellow Alfistis, the location is yet to be announced.

DAY 3 – Saturday, Oct. 20

An early start this morning. It's Qualifying today, and while there is plenty of racing going on during the day, nothing will come close to the always exciting Qualifying round. After the days racing, there's a Concert at the track. Headliners have yet to be announced. Past years have seen Justin Timberlake and Taylor Swift. You may prefer to return to the city center and enjoy a meal at a myriad of restaurants or get involved with a country music venue Austin is famous for.

DAY 4 – Sunday, Oct 21

The big day! This morning we head out to the track. Plenty of time to get involved with the pre-race build up. Check out the track vendors and take in the excitement. As race time gets closer, so does the intensity. The anthem, the jet fly by and the engines roar to life. They're off! Whether it's your first F1 or one hundredth this is a moment you never forget. Following the race and celebrations, we return to the hotel for a no host Happy Hour.

DAY 5 – Monday, Oct 22

It's departure day. Check out is 12 Noon. We'll be there to see everyone off. Our first trip to the USGP has come to an end.

TRACK INFORMATION

To assist in understanding the track layout we have copied the 2017 information made available by COTA (Circuit of the Americas). The 2018 plan is not yet available, some of the vendors may change, but otherwise it will be the same. We are located in both Turn 1 and Turn 15.

Turn 1 - Offers views down the Pit Straight and the action at Turn 1. Also has some restricted views through Turn 4.

Turn 15 - Offers sweeping views from the back straight through to Turn 16. The best viewing for the overtaking curves.
